RE: EPOXYTEC CERTIFIED APPLICATOR

CERT #: *USACA1005* **Annual Certification Valid Through:** *7/22/2022*

CERT Type: Standard, Underground, Sprayliner

Attn: Butch Lopez

This letter serves to inform that **V. Lopez Jr. & Sons General Engineering Cont., Inc.** is currently a certified applicator of Epoxytec's products.

They have met all the requirements set forth by Epoxytec to qualify as an approved applicator, which includes certifying contractor supervisors' and foremen's completion of successful training with all Epoxytec products including the CPP Sprayliner Series and material mixing, handling, surface preparation and application. Epoxytec reviewed and certifies the contractor possesses the proper equipment and fully understands the functionality of the equipment in order to apply a proper installation of Epoxytec material.

Epoxytec International, Inc. hereby certifies the contractor in good-standing as an approved applicator of its products and material, including the CPP Sprayliner Series; therefore granting the contractor permission to procure and apply Epoxytec material products for one year, with the option of yearly review and renewal.

Best Regards,

A handwritten signature in black ink, appearing to read "Silvia Caputi", is written over a horizontal line.
